

PARRY'S GYMNASTICS

Payment Policies

1. Monthly tuition is **due two weeks in advance** for the month you are about to attend.
2. Tuition **adjustments, credits or refunds will not be given for missed classes** due to absence, inclement weather, or any other reason beyond our control. No make-ups are offered if class is canceled due to inclement weather.
3. There is a seven day grace period for monthly tuition payments.
4. Payments made after the grace period must include a \$10 late fee.
5. Please use the **chart below** as a guide to calculate your monthly payments. Tuition will vary based on the number of weeks in the month (**see Class Calendar which list all dates of instruction**).
6. The first day of the week you attend will always be calculated as your 1st day. The second day of the week you attend will always be calculated as your 2nd day, and so on.
7. To calculate a monthly payment amount:
 - a. **Look at the Class Calendar** to find the number of weeks for your class day/s for the month.
 - b. **Multiply** the number of weeks in the month **times the rate** indicated for your length of class for each respective day you attend. The second and third days are generously discounted to encourage you to attend more than one day per week. **The discount only applies to the 2nd and 3rd class days. You will always pay the full amount for your first class day.** Each additional day you attend has its own reduced rate.
 - c. **Add** the total amounts for each day to calculate the amount due for a particular month.
 - d. A **payment slip** (*available at the gym*) should be submitted with each monthly payment to assure payment is properly posted to your account. Put payment and slip in an envelope.
 - f. **Receipts** for cash payments will be sent by email.
8. **This is not like the summer weeks where you pay only for the weeks you attend. You must pay for the total number of weeks indicated on the calendar.** Tuition adjustments, credits or refunds are not given for days missed. You may **request a make-up** if you must miss a class. We may not always be able to accommodate your request for a make-up, so you should make every effort to attend your scheduled class.
9. **Make-ups** must be scheduled within 30 days of a missed class. **Classes missed during the School Year Session may not be made-up during the Summer Session.** If you attend multiple days and drop a day, any pending make-ups for the dropped class will be forfeited and no pending make-ups for any other class day may be made up on the day of the dropped class. **Make-ups are a professional courtesy** not a promised privilege. There is no guarantee a make-up will always be scheduled for a missed class. No **“drop-in” make-ups** please. Make-ups should be requested in writing (*email*) or by phone (*call or text*). Please make sure you include your child's class day and time in the request along with the date and time of the class you plan to miss and the class date and time you wish to attend a make-up. Make-ups are not available if you are already attending all days scheduled for your class.
10. There will be a \$35 charge for checks returned for insufficient funds.
